# Circle at Tapawingo

Circle at Tapawingo was founded in 2002 with just 32 campers and 26 volunteers. We now host over 100 girls and 50 volunteers each summer.

Located in Sweden, Maine, Circle at Tapawingo offers an authentic summer camp experience. The facility provides multiple sports fields, an outdoor basketball court, an archery range, multiple tennis courts, and a lake-front beach that looks out over Keyes Pond--perfect for swimming and tubing! Various grief activities are included throughout each camper's daily schedule.

# Circle at EKC

Circle at EKC, founded in 2014, is located in Morgantown, West Virginia and runs out of Emma Kaufman Camp.

With an average of 100 girls each summer, Circle at EKC provides a large sports field, indoor and outdoor basketball courts, tennis courts, gaga pits, two swimming pools (with a waterslide!), a lake-front with access to multiple ski boats for tubing, and a blob!

Various grief activities are included throughout each camper's daily schedule.
